

Token Distribution

NOTE: This draft not yet finalized, numbers are subject to change

TOKEN INFORMATION

Ticker QODA

Total Token Supply 1,000,000,000

Inflation 0%

Team 28% of tokens with 3 years vesting, 6 months cliff

Seed Investors 10% of tokens with 3 years vesting

Private Round 10% of tokens with 2.5 years vesting

Public Round 5% of tokens, no vesting

Treasury 7% of tokens

Community 40% of tokens

QODA tokens will be distributed to the community via airdrops, liquidity provider incentives, trader incentives, volume incentives, and participation in governance.

QODA treasury tokens will be set aside for development work and projects, strategic partnerships, and rewards to token holders.
